Dear Prof. Dr. Martin Kustati,

I have received the evaluation of your revised paper from the chief editor of HSSR Journal. She has accepted the revisions that you have done. However, before the journal proceeds to publication, the journal requires you to put your article that has been accepted (Attachment 1) into the new template of the journal for 2020 (Attachment 2). Please carefully read the new template. You must also ENSURE that the references section follows the APA 7th edition as informed in the guidelines of the journal.

You must submit your article to me in the new template by **February 10, 2020** to ensure timely publication of your paper by HSSR. Thank you.

Sincerely,
Yunisrina

Dear Dr. Martin Kustati,

Your selected article from the 2nd EEIC for HSSR Journal has been accepted with revisions. Please find: attachment 1 is your article and attachment 2 is the reviewer's comments. You **must revise** your article as suggested by the reviewer. Make the changes in the article attached (attachment 1) and make your changes/editing in RED ink color so that we can identify them more easily.

Moreover, I was recently informed that the new policy of HSSR only allows a Turnitin report below 10% for every accepted article. Therefore, if your article is still above 10%, please reduce it accordingly. Your Turnitin report is as attached (attachment 3). We also kindly ask you to cite the Chief Editor's papers in Scopus if they are related to your work:
