Dear Neimawarni,

Thank you for your article submission. Unfortunately your article does not meet the article submission requirements. Your article must be revised to meet the requirements before it can enter peer review. To resubmit your initial submission please follow the article requirements (https://cgscholar.com/cg_support/en/docs/38).

The revisions to your Initial Submission should include ALL criteria listed. For your benefit, we request you give special attention to the following:

- Please revise your reference list with translations of the foreign-language entries. This allows reviewers to understand the context of your references. Correct formatting for translations can be found at the following link:

<http://conetworks.org/support/chicago-manual-of-style-citations-quick-guide>

If these revisions are not addressed in your resubmission, this article may be withdrawn from consideration.

Your revised article is due before May 1, 2020.

After revising to meet these requirements, please resubmit your article via email

To: submit@conetworks.org

Dear Netmarwami,

Our final inspection of your article is now complete. Thank you for adhering to the Final Submission Requirements. Your article has passed our final inspection and is now queued for copy editing. Please note that this step often requires a considerable amount of time and skilled labor.

We value your patience while your article is pending in the queue and marked for copy edits. Once your copy edits have been prepared by our editorial staff, we will provide notes for author edits/corrections (if necessary). After all copy edits have been completed, a typeset proof will be provided for the author's inspection and publishing approval.

If you have not received a status update by January 17, 2021, you may request an update via email.

Kind regards,

Dear Nelmarwami Nelmarwami,
Your membership for Article 74216 has been confirmed for publication in *The International Journal of Interdisciplinary Social and Community Studies*. Common Ground is now pleased to offer you a Publishing Agreement for this article. In order to proceed in the publication process we require a signed publishing agreement. You have the opportunity to accept or reject the agreement. It includes two options for rights and permissions for your published article. The Traditional publication rights and permissions is the default selection. An Open Access publication model is also available, but requires open access payment and registration. If there is more than one author of this article, the corresponding author will accept on behalf of all coauthors.
Please download the PDF file using the link provided: https://cogscholar.com/cg_support/en/docs/61. To accept the agreement, please sign and date the document (you may digitally sign it or physically sign and scan the printed copy).

Please return the signed Publishing Agreement via email by July 10, 2020.
